### **Leaves of Absence with Pay**

#### **Section 1**

A full-time member of Unit C covered by this Agreement will be allowed up to a total of six (6) days' leave of absence without loss of pay in any one (1) school year for the following reasons:

- A. Death of a close family member or dear friend;

Leave as described in the preceding sentence may exceed six (6) days in a contract year upon application and approval by the Assistant Superintendent of Human Resources or designee, only to the extent that family illness/urgent personal business days were not used in the single contract year immediately preceding.

Nothing shall prevent consideration and approval in the exclusive and binding judgment of the Assistant Superintendent of Human Resources, or designee, of leave allowance based on need in excess of the foregoing limitation.

- B. Holy days;
- C. Court appearance by summons;
- D. Commencement exercises at which the employee, his/her spouse or child will be awarded a degree or diploma;
- E. Absence caused by an automobile accident involving the employee on his/her way to employment (this limited to the day of accident only);
- F. Up to two (2) days may be allowed if a member's attendance is required by an educational institution (where the member is enrolled for the

purpose of educational advancement or achievement) prior to the end of the school year. Such member may apply to the Superintendent for a leave of absence without loss of pay. The application shall be made no later than May 1 of the school year and must set forth the grounds for leave. Subject to the foregoing and the approval of the Superintendent and providing that no reasonable alternative course is available to the Unit C member, a member will be granted up to two (2) days' leave of absence for this purpose;

- G. Selective Service examination.
- H. To attend the Massachusetts Teachers Association (MTA) Annual Meeting subject to:
  - 1. A maximum of one (1) day per employee per year taken from their balance of their two (2) personal or four (4) other/family days from their total of six (6) personal days; and
  - 2. No more than a total of forty-five (45) days per school year may be used for this purpose, for all employees.

No accumulation of this allowance from one employment year to another is allowed, with the following exception:

If an employee does not use either or both of his or her two (2) days established for "urgent personal business," per Section 2 below, by the end of the school year, they will be converted to personal sick days and accumulate as such.

**Section 2:** From the six (6) paid absence days established primarily for death and illness in the immediate family, two (2) days shall be allowed for urgent personal business as judged by the employee. The following four (4) items of explanation apply:

- A. Wherever possible, the employee should give reasonable advance notice of his/her intended absence to his/her supervisor.
- B. The employee need not state the reason for the absence.
- C. Though permission to be absent need not be requested, the employee may be required to complete a form certifying that the personal day has been taken.
- D. The days may not be used to get an early start on or to intentionally lengthen a holiday or vacation or to simplify initial travel arrangements.

**Section 3:** Employees covered by this Agreement will not suffer a loss of pay for absence caused by court appearance in connection with school business or the Unit C

member's employment. This section shall not apply to situations involving an employee's court appearance in connection with work stoppages, real or threatened, in violation of law or this Agreement.

Upon return from such leave, a staff member will be considered as if he/she were actively employed by the District for increment purposes during the leave and will be placed in the salary schedule at the level he/she would have achieved if he/she had not been absent.
- Section 2:** A leave of absence without pay of up to two (2) years will be granted to members who have completed five (5) full years of service in the NPS designated by the Association for the purpose of engaging in Association (local, state, or national) activities. Upon return from such leave, a Unit C member will be considered as if he/she were actively employed by the District for increment purposes during the leave and will be placed on the salary schedule at the level he/she would have achieved if he/she had not been absent. No more than two (2) staff members will be absent at any one time for such leave.
- Section 3:** As covered by applicable law, military leave of up to four (4) years will be granted to any Unit C member who is inducted or enlists in any branch of the armed forces of the United States. Upon return from such leave, a staff member will be placed on the salary schedule at the level that he/she would have achieved had he/she remained actively employed during the period of his/her absence up to a maximum increase of four (4) years.
- Section 4:** A leave of absence without pay or increment of up to one (1) year may be granted to Unit C members who have completed five (5) full years of service in NPS for the purpose of caring for a sick member of the Unit C member's immediate family. Requests for such leave will be supported by appropriate medical evidence.
- Section 5:** A leave of absence without pay or increment of up to one (1) year may be granted to staff members for health reasons. Requests for such leave will be supported by appropriate medical evidence.
- Section 6:** A leave of absence without pay or increment of up to two (2) years may be granted to members who have completed five (5) full years of service in the NPS in order to campaign for elected office and/or serve in elected public office.

**Section 7:** A leave of absence without pay and without increment of up to one (1) year shall be granted by the Superintendent or designee for Unit C members for the purpose of child care. Such leave will terminate at the start of the school year (September) immediately following such leave. Any subsequent requests by the same Unit C member may be granted at the discretion of the Superintendent.

**Section 8:** Unit C members who work twenty (20) or more hours per week on an uninterrupted, regular basis who have completed one (1) full year of service in the NPS may be granted up to twelve (12) weeks of unpaid time off to care for themselves or family members with a serious health condition. Requests for such leave will be supported by adequate medical evidence.

**Section 9:** With respect to leaves under Sections 4, 5, and 6 herein, and the last sentence of Section 7 and 8 herein, the decision of the Superintendent or designee shall be final and binding.

**Section 10:** The Unit C member shall notify the Superintendent and Human Resources by March 15 of his/her intention to return the September following the termination of his/her leave. All requests for extensions or renewals of leave must be applied for in writing on or before March 15 of each year in which the leave expires. Decisions on such requests will be confirmed in writing by April 15.

**Section 11:** Applications for all leaves of absence without pay as set out in this Article must state the specific reasons therefore and must be submitted to the Superintendent by March 15 immediately preceding the beginning of the school year in which the leave is to take place, except in the case of health reasons. If the reason for requested extended leave of absence is due to prolonged illness or recovery from injuries, the application shall be supported by a physician's certificate setting forth the nature of illness or injury and that the absence is medically necessary; and in such case the Superintendent may require the employee to undergo a physical examination by a physician designated and paid by the Committee. Except in the case of health reasons, leaves of absence shall commence at the beginning of the school year.

**Section 12:** It is recognized that no specific position can be held open during any leave but in all instances reasonable efforts will be made to assign the Unit C member to the same position that he/she held at the time the leave commenced. If such position is not available, then reasonable efforts will be made to assign the Unit C member to a substantially equivalent position.

**Section 13: Impact of unpaid Leaves of Absence and New Hires on Step Increases:**

- A. Only time actually served shall be credited towards earning a step increase. Any time for which compensation is received (sick leave, bereavement leave, jury duty, etc.) shall be counted as time actually served. Time for which compensation is not received, shall be referred to

as a “break in service” and credit shall be granted for the year in which said break occurs according to the criteria delineated in Section B below:

- B. In a given school year, a break or breaks in service shall not disqualify time served prior to or after such break(s). The period of the break in service, however, shall discount the determination of credit towards a step increase according to the criteria below:
1. If there are 45 days or fewer of uncompensated time, there will be no loss of credit. The employees shall earn credit for one (1) complete year of service towards a step increase.
  2. If there are more than 45 days but 110 or fewer days of uncompensated time, there will be a loss of one half year of credit. The employee shall earn credit of one half year of service towards a step increase.
  3. If there are more than 110 days of uncompensated time, there will be a loss of a full year of credit. The employee shall earn no credit towards a step increase.

- A. Only time actually served shall be credited towards earning a longevity increment. Any time for which compensation is received (sick leave, funeral leave, jury duty, etc.) shall be counted as time actually served. Time for which compensation is not received, shall be referred to as a “break in service” and credit shall be granted for the year in which said break occurs according to the criteria delineated in Section B below:
- B. In a given school year, a break or breaks in service shall not disqualify time served prior to or after such break(s). The period of the break in service, however, shall discount the determination of credit towards earning a longevity increment according to the criteria below:
  - 1. If there are 45 days or fewer of uncompensated time, there will be no loss of credit. The employees shall earn credit for one (1) complete year of service towards earning a longevity increment.
  - 2. If there are more than 45 days but 110 or fewer days of uncompensated time, there will be a loss of one half year of credit. The employee shall earn credit of one half year of service towards earning a longevity increment.
  - 3. If there are more than 110 days of uncompensated time, there will be a loss of a full year of credit. The employee shall earn no credit towards earning a longevity increment.
- C. Less than full-time service, i.e., 80% employee, 60% employee, etc., shall be credited with full-time service. Payment of longevity increment, however, shall be made on a pro-rata basis based on the percentage of full-time service in the current school year in which longevity is received.
- D. “Years of service” for the purpose of determining eligibility shall be measured as of September 30.
- E.
  - 1. “After 10 years of service” shall mean after ten (10) cumulative years or more of service.

2. “After 18 years of service” shall mean after eighteen (18) cumulative years or more of service.
3. “After 25 years of service” shall mean after “twenty-five (25) cumulative years or more of service.

**Section 3:** For any employee who previously selected enhanced longevity, the following still applies: A Unit C member’s right to receive regular longevity payments referenced in Section 1 above and any sick leave buy-back under Section 3 of Article 8 will cease upon exercising the three-year option set forth herein.

## **ARTICLE 23**

1. Notification to the Association of newly hired employees and provision of information regarding those employees
2. Association access to meet with newly hired employees
3. Use of district facilities for Association activities
4. Use of district email and communication systems
5. Exclusions of member personal and professional information from public record
6. Exclusion of Association-member communications from public record

**Section 2:** This section is intentionally left blank.

**Section 3:** If a third party, such as an advocacy group, labor organization, or individual other than the Association, requests contact or employment information of bargaining unit members information through an MGL 150E information request or Public Records Request, the Committee will inform the Association of such request and the name of the requestor within twenty-four (24) hours (one (1) business day). ## **ARTICLE 24**

### **Tuition Free Attendance**

#### **Acceptance of Non-Resident Aides' Children in Newton Public Schools**

**Section 1:** Subject to the conditions and restrictions that apply to Newton students who seek out-of-district placement, a Unit C member in the Newton School System who is not a resident of the City will have the option, on a space available basis and at no cost, of having his/her child(ren) or a child residing with the Unit C member attend the regular education program of the Newton Public Schools. However, once a child is accepted, so long as the Unit C member is employed in the Newton Public Schools, the child shall be allowed to attend that school through grade 12 subject to the rules and regulations that apply to Newton residents. In addition, every reasonable effort will be made to place siblings in the same school if the parents so request. It is further understood that if a child(ren) of a Unit C member is approved to attend the Newton Public Schools, such attendance shall not be grounds for a grievance concerning workload and/or class size, nor shall such attendance be calculated as part of teacher load and/or class size in cases of such grievances.

## **ARTICLE 25**

### **Full Day Kindergarten**

**Section 1:** **Purpose**

Effective September 2019, the Newton Public Schools will implement full day kindergarten. To provide opportunities for children to learn in a developmentally appropriate way, the Committee and the Association agree that additional time added to the daily schedule shall be directed towards the education of the whole child. They further agree that this additional time is not intended to increase the time currently dedicated to formal academic (math and literacy) learning, but rather to enhance the overall learning experience by providing opportunities to engage in play and discovery, with particular attention to social and emotional development.

**Section 2:** **Staffing Levels**

For staffing levels, see Article 3, "Work-Day – Work Year," Section 6 above.

**Section 3:** **Class Size Limits**

The district will make every effort to keep the class size of kindergarten to 23 or fewer students. If class size exceeds 23, then a school-based team including, but not limited to, the kindergarten teacher, the kindergarten teaching assistant, a

member of the special education team, and the principal shall meet to assess the needs of the classroom in light of the class size.

**Section 4:**     **Full Day Kindergarten Labor Management Committee**

The School Committee and the Association authorize the creation of a Full Day Kindergarten Labor Management Committee. The Committee will comprise an equal number of NTA and administrative members, with the total number of members to be determined by the Committee's needs. The Committee shall be charged with reviewing and discussing the implementation of Full Day Kindergarten, and shall, among its responsibilities: Assess whether full day kindergarten in its implementation is remaining true to the mission of educating the whole child; assess the efficacy and value of the pilot of providing Full Day Kindergarten Teaching Assistants collaboration and planning time; discuss the role of FDK Teaching Assistants and, concomitantly, their job description; consider staffing levels (e.g., special education teachers, occupational and physical therapists, social workers, and/or psychologists) for support and interventions (e.g., speech and language, social pragmatics, mental health, occupational and physical therapy). If necessary, the Joint Labor Management Committee will make any recommendations to both bargaining teams for further negotiations.

**ARTICLE 26**

**Use of School Facilities**

**Section 1:**     The Association will have the right to use school buildings without costs for two (2) meetings each school year, providing such meetings are held Monday through Friday and appropriate notice as provided in Section 2 herein is given.

**Section 2:**     The Association will have the right to use school buildings without costs and at reasonable times for meetings, subject to safety requirements and availability, provided, however, that the Association will be required to pay the customary and standard fees (including custodial costs) for the use of said buildings consistent with current Committee policy. The Principal of the building in question and the Superintendent will be advised, sufficiently in advance, of the time and place of all such meetings.

**Section 3:**     Members of the bargaining unit will have the right to use the athletic facilities and equipment of a school one (1) evening each week. The Association will pay for the customary and standard fees (including custodial costs) for the use of said buildings consistent with current Committee policy. The schedule and other related matters must be arranged, in advance, with the Superintendent.

**Section 4:** There will be one (1) bulletin board in each school building, which will be placed in the faculty lounge, for the purpose of displaying notices, circulars, and other Association material. Prior to the posting of any such Association material, a copy of the material will be given to the Principal of the building. The Association shall be responsible for materials posted, and agrees that such materials shall be legitimate professional materials.

**Section 5:** The Association shall have the right to invite representatives of the UNUM/MTA Group Insurance plan into each of the school buildings during the school day once per year.

## **ARTICLE 27**

### **Protection and Indemnification**

**Section 1:** The rights of an employee covered by this Agreement to indemnification against certain actions and claims and to legal assistance will be governed by General Laws, Chapter 258.

**Section 2:** Employees covered by this Agreement will immediately report, in writing, all cases of assault suffered by them in connection with their employment to their immediate supervisor and the Superintendent.

**Section 3:** The report will be forwarded to the Committee, which will comply with any reasonable request from the employee for information in its possession relating to the incident or the persons involved, and will act in appropriate ways as liaison between the employees, the police, and the courts.

**Section 4:** The Committee will reimburse employees full replacement costs for the following, provided it occurs in the proper performance of their employment and not as a result of the employee's negligence: any clothing or personal property damaged or destroyed.

**Section 5:** The Committee agrees that the following insurance will be provided: A. indemnity insurance; B. liability for bodily injury to others; C. liability for personal injury to others.

**Section 6:** The Committee will reimburse individuals covered by this Agreement for any loss or damage to eyeglasses or hearing aids or mobile phones caused by an assault on the individual or an accident during the workday.

**Section 7:** Individuals who are absent as a result of an on the job accident or personal injury suffered during the workday shall not lose pay because of such absence. The parties agree that sick leave bank days may be utilized for such purposes.

Eligible employees under this section shall be allowed to use up to three years of sick bank time (balance of the school year that the injury/accident occurred plus two additional school years). The Employee will be required to submit updated medical documentation per Article 8 Section 6 (Sick Leave Bank) of the Unit C Contract.

**Section 8:** The Committee agrees to reimburse eligible employees for the cost of co-pays for office visits, emergency room visits, and prescription drugs, as well as physical and occupational therapy appointments that are not covered by insurance incurred due to physical injury/accident to the employee arising out of and in the course of employment. The maximum reimbursement for such injuries under this section shall not exceed the aggregate total of \$24,000 per year. All NTA units will be included under the \$24,000 cap. Employees who submit documentation of such costs via proper proof of payment as required by the comptroller shall be paid bi-monthly. This cap shall be pro-rated on a monthly basis of \$2,000 per month. Any unused balance will accrue month to month up to a total of \$24,000 for each year of the contract.

## **ARTICLE 28**

### **Inclusion of Specifically Designated Students**

#### **Section 1: Review**

The Committee, in the attempt to achieve the goals hereinafter provided in reference to certain specifically designated students, as determined by the Superintendent, acknowledges the need for the Superintendent, or his designee/s, to examine issues around the following concerning said specifically designated students:

- A. The involvement, if and when feasible, of the receiving aides in the preplacement decision making process.
- B. Adequate appropriate training of the receiving aides.
- C. The balance, where appropriate, in student assignments and grade/class placement.
- D. Physical transportation of handicapped students in emergency situations.

**Section 2: Goals**

- A. To foster for certain specifically designated students, as determined by the Superintendent, an appropriate learning environment when they are placed in the regular education classroom environment.
- B. To foster, when said designated students are so placed, an appropriate learning environment for all other students in the regular education classroom environment.
- C. To foster for the aide in the classroom of the regular education teacher (receiving aides) while said designated students are so placed in his/her classroom, an appropriate environment in which to perform his/her duties.

**Section 3:** In the effort to enhance the fulfillment of the District's efforts to fulfill its goals and to enhance the examination of the Superintendent or his/her designee of the aforementioned issues, the Committee will establish the following procedure to consider concerns of the receiving aide:

- A. The receiving aide discusses his/her concerns with the Principal. If not resolved,
- B. The receiving aide discusses his/her concerns with the Assistant Superintendent of Pupil Services or his/her designee and/or the appropriate Assistant Superintendent of Elementary or Secondary Education. If not resolved,
- C. The receiving aide discusses his/her concerns with the Superintendent.

In addition, the following procedure shall be established:

- A. The Superintendent and appropriate administrative staff agree to meet with the Association to discuss any specific concerns.
- B. The concerns will be reviewed in depth by the Superintendent and other appropriate administrative staff.
- C. The Superintendent and/or other appropriate administrative staff will then hold a follow-up meeting with the Association.

**Section 4:** Finally, in order to receive direct input from the faculty, the Superintendent agrees to either the Association assigning more members to the Superintendent's Inclusion Committee or to create a Mutual Concerns Inclusion Committee, which will meet quarterly to review the Association's concerns.

**Section 5:** This Article is subject to the terms and conditions of M.G.L. Chapter 71B, the Chapter 766 Regulations of the Department of Education, including without limitation, rules of confidentiality and privacy, and other applicable state and federal laws.

**Section 6:** The parties agree that either side has the right to terminate this Article on or after August 30, 1997 upon giving at least sixty (60) days written notice prior to the termination date, and if requested, meeting during said notice period to examine and evaluate the effectiveness of this Article.

## **ARTICLE 29**

### **Reduction In Force**

**Section 1:** In the event of the reduction in the number of teaching aide positions, non-reappointment shall be subject to the following:

A. Teacher Aides in each category, as defined below, shall be divided into two groups as follows:

Group A: those with eight (8) years or more of seniority; and

Group B: those with less than eight (8) years of seniority.

In the event of a reduction in the number of teaching aide positions, the non-reappointment, in the category involved, shall first be made in Group B. The decision to reduce and the determination as to which employee/s are to be reduced shall not be subject to challenge.

In the event that the reduction in the number of teaching aide positions exceeds the number of aides in Group B in the category involved, the non-reappointment shall then be made in Group A in accordance with seniority, subject to the specific exceptions hereinafter noted, provided the remaining aides in Group A are qualified to perform the duties of the position.

The exceptions to seniority reductions in Group A, are the following:

- A. When it can be demonstrated that the needs of the system, based upon relevant educational criteria, necessitate the retention of the less senior teaching aide.
- B. When it can be demonstrated that the District's affirmative action accomplishments and aims would be adversely affected.

In reference to any reductions in force within Group A, the District, on request from the Association, shall give the reasons for its determinations. The final decision will rest exclusively with the District and will not be subject to an arbitrable claim except on the charge that the determination was arbitrary and capricious.

**Section 2:** For the purpose of this Article, Teacher Aides shall be divided into the following categories:

**Category 1 Aides**

- A. Elementary (including regular and special education)
- B. Secondary (including regular and special education)
- C. Bilingual
- D. Primary Intervention Reading Program
- E. Education Center

**Category 2 Aides**

- A. Medical Assistants
- B. Speech and Language Therapy Assistants
- C. Physical Therapy Assistants
- D. Occupational Therapy Assistants
- E. Behavior Therapy Assistants

**Section 3:** Seniority as used in this Article shall mean the length of service as a Teacher Aide in the Newton Public Schools.

**Section 4:** Nothing in this Article shall prevent a Teacher Aide who would otherwise be non-reappointed, as aforementioned, from being eligible for a vacancy in another category.

**Section 5:** A Teacher Aide in Group A who is not reappointed as a result of the reduction in the number of teaching aide positions, as aforementioned, (hereinafter called "Group A Aides"), shall be entitled to recall rights to aide positions as hereinafter provided:

- A. Group A Aides shall be entitled to recall rights, as herein provided, for a period of twenty-six (26) months from the last day of service.

- B. Group A Aides who decline the offer to be rehired may be dropped from the recall list.
- C. All benefits to which the Group A Aide was entitled at the time of reduction shall be restored in full upon re-employment within the recall period.
- D. To the extent permitted by Massachusetts General Laws, c.32B, Group A Aides may continue group health and life insurance coverage during the recall period, as provided by the Committee to members of the bargaining unit, by reimbursing the Committee for premium cost. Failure to forward premium payments to the Committee, or refusal to return to employment upon recall will terminate this option.
- E. During the recall period, Group A Aides on the recall list shall be notified by certified mail of available positions, provided they submit to the office of the Superintendent a self-addressed envelope(s).
- F. Group A Aides on the recall list who are qualified will be given preference for aide positions comparable in subject matter and F.T.E. to the position held prior to reduction.

Preference will be given to those aides on the basis of seniority, previous aide experience and performance.

**Section 6:** The Committee reserves the right to determine the number of teaching aide positions.

**Section 7:** Nothing contained in this Article shall limit the non-arbitrable rights of the Principal and/or the Superintendent and/or the Committee as set forth in Article6, Section 7.

## **ARTICLE 30**

### **Health and Safety**

**Section 1:** The Committee will continue its best efforts to provide and maintain a healthful and safe workplace, with adequate heating, ventilation and lighting.

**ARTICLE 31**

**Retirement**

**Section 1:** Effective September 1, 2019, employees that give notice of retirement at least four (4) months prior to their last day of work shall be awarded an incentive payment of \$500.

**ARTICLE 32**

**Duration**

**Section 1:** This Agreement shall become effective as of September 1, 2020 and shall continue and remain in full force and effect until August 31, 2023.

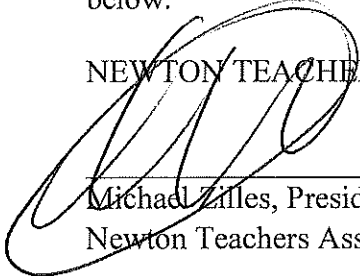

**Section 2:** Effective September 1, 2020 salaries will be adjusted as provided in Article 21, or as set forth in the appendices.

**Section 3:** Negotiations for a new agreement to take effect September 1, 2023 will commence on or before October 15, 2022.

**MEMORANDUM OF AGREEMENT – STIPENDS**

The Newton School Committee (the Committee) and the Newton Teachers Association, (the Association) hereby agree to the following regarding stipends for Units A, B, and C. The list of stipends is in Appendix E-2 through E-11.

---

**Units A and B**

1. In the case of the creation of new stipended positions, the Superintendent will establish the initial stipend which will be included in an in-school notification and in effect for the first year and which will be subject to negotiations in successor contracts or succeeding years of this Contract. In establishing the initial stipend, the Superintendent will, to the greatest extent possible, make use of the existing stipend categories included in Appendix E. An appointment to the duties and positions listed in Appendix E is subject to annual appointment by the Superintendent.

2. **Acting Principal – Not Teaching**

Whenever a unit member is asked to substitute for an absent principal, the unit member will be compensated at the rate of a Step 1 Masters level principal for the time spent substituting for the principal.

**Acting Principal – Teaching**

Per agreement of the parties, when a unit member is required to cover for an absent principal for four (4) cumulative days or more, the unit member will receive an additional stipend of \$40.00 per day of substituting.

3. **Musical and Theater Productions** \* Please see stipend list for all Musical and Theater Productions.

- A. **Excerpt or Small Production/Limited Rehearsals**

The final performance is an excerpt of a longer work, a one-act play, or short musical or dramatic production, requiring fewer rehearsals and technical work than full productions.

- B. **Full Production/Standard Rehearsals**

The final performance is a customary or set length musical or dramatic production, requiring a full schedule of rehearsals and a comprehensive schedule of technical work.

C. Major Production/Extended Rehearsals

The final performance is an extensive or elaborate musical or dramatic production that requires a wide range of rehearsals and an intensive schedule of technical work.

4. Effective September 2017, the following criteria apply to the revised Middle School and Elementary School Theater and Musical Performance Stipend Salary Schedules.

**MIDDLE SCHOOL THEATRE AND MUSICAL PERFORMANCE STIPENDS**

The production roles delineated on the **Middle School stipend charts** represent the optimal range of staff positions needed for a theatrical production. Directors shall have discretion to staff each production according to the specific needs of that production. The Director is not obligated to staff all roles.

\* Music Director and Technical Director are newly added roles:

Stipends/Responsibilities for Music Director are equivalent to those for the former Co-Director role; Technical Director stipends/responsibilities are equivalent to those for the former Set Designer role.

\*\* One-Act Play or Small Musical uses the stipend amounts for Theatre Productions (not Musical Productions) as most middle school one-act productions are not musicals.

**Explanation for Major and Minor stipend levels for Production roles:**

For the production roles of Set Designer, Costumer, Choreographer/Creative Movement/Stage Combat Specialist, and Technical Director, Directors will have discretion in determining the need for a major or minor production role when staffing these positions. Using the current stipend amounts, a major production role should earn the maximum stipend listed for that role. A ratio of the maximum amount will need to be determined for the minor production role, consider 50%-60% percent of the maximum stipend for minor role stipends.

Example #1: A Director is staging a musical that has several tap and jazz dance numbers and needs a Choreographer for a major role. Another Director is staging a musical with puppets and hires a Creative Movement specialist to lead creative movement workshops at a rehearsal for a minor role.

Example #2: A Director is staging a non-musical play with period costumes and needs a costumer for a major role of locating and/or creating costumes for 60 students. Another Director is staging a play set in a contemporary middle school and needs a costumer for a minor role for organizing costumes comprised of students' personal wardrobe, thrifts store shopping, custom T-shirts (design and ordering), etc.

## **APPENDIX E-1 (Cont.)**

Considering that every musical or play has its own unique production requirements along with the individual Director's creative vision/interpretation of the material; Directors must be given discretion to make staffing decisions that he/she feels will best achieve the artistic result they're striving to achieve.

In some situations, students are recruited and trained to perform some production roles and parent volunteers are often recruited to fulfill some roles.

### **Roles & Responsibilities**
